

Acquisition Opportunity

Type: **Plastic Injection Molding**
Industry: **Automotive – Tier-1/Tier-2**
Location: **United States – Texas**

Highlights:

- USD \$25 million in sales
- World-class manufacturer of plastic components and assemblies for the automotive market
- Capabilities include injection molding, insert molding, welding, and assembly
- Main products include interior/exterior components and assemblies for a variety of automotive applications, including car audio, trim, and roof systems
- Long-term relationships with non-domestic OEMs and global Tier-1 customers
- Ideally located to support TX assembly plants; less than 300 miles from the border at Laredo

The company's major vehicle programs are booked through 2027.
